## **Seeking Leader for Board of Directors**

Metropolitan Counseling Services is seeking experienced business professionals and/or community leaders that will help perpetuate the growth of the organization and raise awareness of mental healthcare needs throughout the Metro Atlanta community. The ideal candidate would have prior board experience and help communicate our mission to a diverse population.

Desired skill sets include:

- passionate about engaging the community on topics relating to mental health
- experience in change management
- comfortable with business development
- availability to actively participate
- desire to connect the corporate community to issues relating to mental health
- knowledgeable of the health care industry
- capable of using critical thinking and problem solving skills
- ability to connect to a diverse audience

Interested candidates should contact Shannon Georgecink, executive director, at [sgeorgecink@mcsatlanta.org](mailto:sgeorgecink@mcsatlanta.org) or via phone at 404-321-1794 ext 320.
